

The only true bundle.

VIP stands for **Video + Internet + Phone**. Buckeye CableSystem has combined cable TV, Internet and residential telephone service to create 7 different money-saving VIP bundles.

VIDEO

Buckeye Digital provides the most advanced and reliable video available. It is 100% digital so the picture is clear and the sound is dynamic on ALL channels. And, **Buckeye Digital** is the gateway to features our customers love. When you subscribe to **Buckeye Digital**, you have access to:

- **Video On Demand** – Now you can rent movies without all the hassles of going to the video store! Forget about out-of-stock movies and late fees. The movie you want is always a remote click away - any time of day or night. Enjoy the ability to pause, rewind, and fast-forward - even play it again for at least the next 24 hours! No planning, no waiting, no schedules - this is your no-hassle choice for spontaneous home movie entertainment. You can't get **On Demand** with a dish!

- **HDTV** – For a low additional fee, **Buckeye Digital** delivers the most HD channels in the country. We offer 24 channels including local broadcast programs in HD, plus favorite cable channels featuring sports, movies and travel. No high-definition television is complete without **Buckeye HD**.
- **Digital Video Recorder** – Lets you take control of your television schedule. Available for an additional fee, **Buckeye DVR** is so easy to use it will change the way you watch TV. You'll wonder how you've lived without it!

Different **VIP** bundles contain different programming paks. To find out what channels are available in each programming pak, visit buckeyecablesystem.com/lineup to download an up-to-date channel guide.

INTERNET

When you add the superior quality and reliability of Buckeye CableSystem to the extra features of **Buckeye Express High-Speed Internet**, you have the area's preferred high-speed Internet service. **Buckeye Express** offers a variety of product options, speeds and pricing to fit your Internet needs.

Visit buckeyecablesystem.com/express to see what features are included with each level of service.

PHONE

We have three service levels of **Buckeye TEL** residential phone service that provide a variety of robust features, secure wiring, enhanced 911 service, superior customer service and the savings you'd expect from Buckeye CableSystem.

- **Premium** – unlimited local and domestic long distance calls. The latest **FREE** features including caller ID with name, voicemail, three-way calling, call forwarding and many more.
- **Essential** - unlimited local calls with 150 minutes of domestic long distance and caller ID.
- **Ground** – unlimited local calls and our Expanded Local Calling area.

You'll save with our **Expanded Local Calling Area**. Many calls that were once considered "long distance" are now included in your "local calling" area! You'll be amazed at the additional savings on top of being a **VIP!**

Visit buckeyecablesystem.com/buckeyeTEL for more information about **Buckeye TEL** and what features are included with each **Buckeye TEL** package.
